**Reunion
Blues**

Reunion Blues was founded in 1976 by people who believe music is essential to the human spirit. For over 30 years, the company has created instrument bags for discerning musicians that are both luxurious and highly functional. Constructed of the finest materials using state-of-the-art manufacturing, Reunion Blues original designs are recognized and trusted around the world.

Often referred to as “the best of the best”, Reunion Blues is chosen by serious musicians for player convenience and durable quality. The line consists of over 70 gig bag styles for brasswind, woodwind, fretted instruments and percussion, along with new offerings of extremely comfortable saxophone straps and 100% merino wool guitar straps.

Step up to Reunion Blues and experience the prestige and life-long durability that you can only achieve by owning the best of the best.
